Immanuel!

God Gifts You with Himself

Loved Friends,

I have an odd habit. While some people collect seashells, I collect words, sentences, and stories. As we approach Christmas, I want to gift you with the most powerful sentence, I know. It's this and it's from Joy Dawson ... **"Your greatest need is for a greater revelation of God."** Your heart may be longing for many things. You might yearn for a healed relationship, (Have you ever noticed that the things that really matter the deepest, are always relational?)

Our greatest need is to have increasing revelation of who God is and what He wants to be to us today.

Because of who He is, Reignbridge experienced the beauty and terror of saying "Yes!" to Rome, "Yes!" to continuing in Ojai, "Yes!" to giving our International School of Reconciliation Textbook for free to the Francophone world, and "Yes" to reaching restricted access nations through bridgemaker.tv, and embracing and encouraging existing and emerging leaders. God builds His kingdom with gifts of friendships, and He begins by giving us Himself.

Take heart dear one. God has given and continues to give you Himself without measure. He is unstinting and liberal with His heart.

Love, Fawn

"Upon those who sat in the shadow of death a light has dawned."

Into the confusion, the division, into the chaos, Jesus chooses to be with us. He comes near to the broken hearted and to those who are crushed in spirit. He is near you, just now, closer than your breath.

We forget that our perfect Savior, our Immanuel, came into a world very much like our own; violent, unpredictable, ruled by dictators who did unspeakable atrocities, causing people to flee for their *lives*.

God sent His cherished son to us knowing that he would end up becoming a refugee from violence.

Immanuel comes, and comes, and comes again. Into our reeling world, into our broken relationships, into our broken hearts and lives, Immanuel. God with us, comes bringing His love that transforms and brings light to the darkest places.

Perhaps you have felt the darkness descend ...to you God is saying "Arise! Shine, your light has come!" Arise to lead, arise to befriend, arise to love, arise to dream once again with God. Arise to see miracles come in response to your prayers. Arise to embrace the God who gives you Himself. Arise to a new season of seeing God's love displayed, His glory covering the earth as the waters cover the sea.

We were made for such times. God's people have always thrived best in difficult times, because of who He is ...utterly faithful, incomparably strong, magnificent in splendor, un-thwarted in purpose, exceedingly tender, stunning in glory.

The International School of Reconciliation Studies

Because of your generosity we have been privileged to give out many free copies of the French text to leaders in Togo, Haiti, France and Switzerland. If you or a small group you lead, would like to go through this unique study, you can register here at www.reconcile.org God gave our team below a decoder ring to history while in Rome this fall. We were deeply impacted by God giving us His heart for the future.

www.bridgemaker.tv

Everyday people from over 60 nations including the Middle East, click on www.Bridgemaker.tv and watch stories of how God's light has penetrated broken lives. They watch these stories in Arabic, Farsi, and English. We want every seeker on the internet to find a site that speaks directly to them about the excellence of our Immanuel, Wonderful Counselor.

InterVarsity CSUCI

We are privileged to love, pray and speak into the lives of leaders of InterVarsity at Cal State University at Channel Islands. They met with us to prayerwalk Casitas Springs, the gateway to Ojai. Please pray for Kelly who will become part of the leadership at University of California at Santa Barbara.

Our Gift 2 You

Living A Life That Outlives You is the shortest and one of the most important books we've written. It's our gift to you this Thanksgiving, Christmas season.

You may download it free by clicking on the cover below

Reignbridge is pleased to be part of over 40,000 organizations in 70 countries participating in #GivingTuesday. After the beauty of Thanksgiving you have black Friday, Local Saturday, and Cyber Monday. Then there is #GivingTuesday helping people give smart, give grand, and make a difference in the world.

#GivingTuesday allows you to give in the name of a loved one, or just in your own name.

One of the great things about America is volunteerism and the enormous generosity of the American people. We are blessed to live in a land where people's hearts motivate them to give.

We encourage to consider many excellent organizations around the world who are making a difference. We wouldn't be terribly offended if you considered Reignbridge who is actively embracing, encouraging and educating emerging leaders. Some of our best stories we can never tell.

Thank you loved friends for praying/loving/laboring with us.
